Dear President Bowen,

The 43,000 registered nurses of NYSNA stand in solidarity with you and your sisters and brothers of the PSC who were arrested this week while demanding fair contracts for faculty, staff and adjuncts, and an end to tuition hikes for students.

We share the outrage of your members at the intransigent posture taken by CUNY managers that impedes full and fair negotiations towards these important and legitimate goals.

Together, we will fight for equality and justice in New York City and beyond!

In solidarity!

Judy Sheridan-Gonzalez, RN
NYSNA President
