# Emergency Nurse Certification Review

New York State  
**NURSES**  
ASSOCIATION

One strong, united voice for nurses and patients.

*Are you calm under pressure?*

## Learning Outcome:

Participants will be able to apply current standards of care in Emergency Nursing to selected situations, in accordance with the BCEN standards of care for emergency nursing.

## Program Objectives:

Upon completion of this workshop, participants will be able to:

- Describe the techniques for preparing for the certification exam in emergency nursing.
- Recognize the legal, ethical, and professional responsibilities of the Emergency Room Nurse.
- Describe the pathophysiologic basis of respiratory disorders including nursing assessment, intervention, and evaluation of effectiveness of emergency nursing care.
- Discuss the pathophysiologic basis of neurologic disorders including nursing assessment, intervention, and evaluation of effectiveness of emergency nursing care.
- Discuss the pathophysiologic basis of OB-GYN disorders including nursing assessment, intervention, and evaluation of effectiveness of emergency nursing care.
- Discuss the pathophysiologic basis of Cardiac disorders including nursing assessment, intervention, and evaluation of effectiveness of emergency nursing care.
- Discuss the pathophysiologic basis of gastrointestinal disorders including nursing assessment, intervention, and evaluation of effectiveness of emergency nursing care.
- Recognize the implications of nursing care as it relates to Trauma Nursing in the emergency room setting.
- Discuss the implications of nursing care as it relates to Medical Emergencies in the emergency room setting.
- Discuss the implications of nursing care as it relates to Musculoskeletal Emergencies in the emergency room setting.
- Discuss the implications of nursing care as it relates to Genitourinary Emergencies in the emergency room setting.
- Discuss the implications of nursing care as it relates to Pediatric Emergencies in the emergency room setting.
- Recognize the implications of nursing care as it relates to Psychiatric and Lifestyle Emergencies in the emergency room setting.

The New York State Nurses Association is accredited by the International Association for Continuing Education and Training "IACET" and is authorized to issue the IACET CEU.

The New York State Nurses Association is authorized by IACET to offer **1.2 CEUs** for this program.

## Declaration of Vested Interest: None

NYSNA wishes to disclose that no commercial support was received.

NYSNA Program Planners and Presenters declare that they have no conflict of interest in this program.

## Faculty: Frank C. Druse III, RN, MS, MHA, CEN, CPEN

Frank C. Druse III is a Board Certified Emergency Room nurse who has experience in transplantation coordination, staff education, policy development and research, as well as serving in leadership roles in the Emergency Department. His presentations on various components of emergency nursing have been well-received. Mr. Druse is enthusiastic about emergency nursing and attends several conferences annually to update his skills and to learn new ideas.
