Learner Outcome:
Participants will be able to correctly identify appropriate nursing interventions for selected patient care situations in the operating room based on current standards of care.

Objectives:
- Develop skills to improve test taking strategies for the CNOR Exam.
- Identify key concepts in preoperative assessment and diagnosis.
- Identify effective communication strategies that will promote quality patient outcomes.
- Discuss expected outcomes and develop an individualized operating room nursing care plan.
- Recognize basic concepts regarding intraoperative skills and techniques.
- Discuss the role of an operating room nurse in maintaining regulatory compliance for patient safety as a nursing professional.
- Describe the role of an operating room nurse in surgical emergencies, including care of the trauma patient requiring surgical intervention.
- Identify the role of an operating nurse in preventing postoperative complications.
- Describe the importance of intraoperative safety.

Declaration of Vested Interest: None
NYSNA wishes to disclose that no commercial support or sponsorship was received. NYSNA Program Planners and Presenters declare that they have no conflict of interest in this program.

Faculty: Susan Galaraga, MSN, RN
Susan Galaraga has worked in an operating room or PACU setting since the 90's and is currently a Clinical Educator for the ASU, PACU and OR. Susan Galaraga has certification as Certified Nurse Operating Room (CNOR).

The New York State Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

This program has been awarded 12.0 CHs through the New York State Nurses Association Accredited Provider Unit.

The New York State Nurses Association is accredited by the International Association for Continuing Education and Training “IACET” and is authorized to issue the IACET CEU.

The New York State Nurses Association is authorized by IACET to offer 1.2 CEUs for this program.

IMPORTANT: In order to receive CHs/CEUs, all participants are required to attend the entire workshop, complete all in-session program assignments, complete an evaluation form, complete and return a post-program SurveyMonkey® questionnaire and/or complete and return a post-program checklist, where applicable. You will need a personal computer and internet access to attend.
