SUBSTANCE USE DISORDER: OCCUPATIONAL HAZARD FOR NURSES

Learning Outcome:
Participants will be able to recognize three signs and symptoms of impaired practice and two support systems that are available for nurses with substance use disorders.

Objectives:
1. Discuss the disease process of substance use disorder.
2. Identify supportive resources available to agencies, hospitals and for nurses who develop substance use disorders.
3. Describe legal implications of drug diversion and substance use disorder on nursing license and the role that SPAN plays in getting nurses affected by substance use disorder sober and back in the workplace.

The New York State Nurses Association is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center’s Commission on Accreditation.

This program has been awarded 1.0 CHs through the New York State Nurses Association Accredited Provider Unit.

The New York State Nurses Association is accredited by the International Accreditors for Continuing Education and Training “IACET” and is authorized to issue the IACET CEU.

The New York State Nurses Association is authorized by IACET to offer 0.1 CEUs for this program.

IMPORTANT: In order to receive CHs/CEUs, all participants are required to attend the entire workshop, complete all in-session program assignments, complete an evaluation form, complete and return a post-program SurveyMonkey® questionnaire and/or complete and return a post-program checklist, where applicable. You will need a personal computer and internet access to attend.

NYSNA reserves the right to cancel this program if a sufficient number of participants are not registered, in which case if a fee was paid, the entire amount will be refunded.

Make sure to check your email for confirmation of registration and the further steps you need to take to be prepared for the program, such as registering on Zoom, and how to retrieve the handout materials before the start of the program.
