Please note that all scheduling is subject to change in light of the ongoing COVID-19 pandemic and any related governmental restrictions regarding travel. NYRN assumes no liability for any expenses incurred by participants due to changes in this calendar.

*****REFUNDS*****

After tickets have been issued they are NOT REFUNDABLE, and three months from departure date, the participation fee is NOT REFUNDABLE.

*****ADVISORIES AND REQUIREMENTS*****

- * All participants must be fully vaccinated in order to participate in an NYRN mission. Participants must have received their first dose of a single-dose vaccine or their second dose of a two-dose vaccine at least 28 days prior to the departure date. Participants must provide NYRN with proof of vaccination prior to departure.
- * All participants must present proof of a negative COVID-19 test taken within 72 hours of departure. Depending on the host country, participants may be responsible for undergoing additional COVID-19 tests upon entry or departure from the host country.
- * All participants must sign an acknowledgment of the current State Department travel advisory level for the host country to which they are travelling. Participants will be responsible for adhering to all vaccination, testing, and quarantine requirements of the host country. Participants should visit the CDC webpage for vaccination, testing and quarantine requirements and travel advisories for specific countries.
- * All participants must comply with local authorities' requirements.
- * Participants are strongly encouraged to obtain an individual travel insurance policy that covers COVID-19.
- * All participants must bring an appropriate face covering for airplane travel.

[Continued on next page]

Please note that all scheduling is subject to change in light of the ongoing COVID-19 pandemic and any related governmental restrictions regarding travel. NYRN assumes no liability for any expenses incurred by participants due to changes in this calendar.

* Participants must comply with health and safety precautions put in place at all times including wearing appropriate personal protective equipment (PPE). Appropriate PPE may depend on the location of the medical mission and the task being performed.

* If a participant contracts COVID-19 while on a medical mission and must remain in the country for treatment or to quarantine, the participant will be fully responsible for all expenses, including, but not limited to, hotel accommodation, hospital bills, meals, transportation, and any and all fees for changing airline bookings. NYRN assumes no liability for any expenses incurred by participants who contract COVID-19.

* All participants should review and comply with their employer's requirements and protocols concerning international travel. NYRN assumes no liability for any expenses incurred by participants in complying with an employer's requirements and protocols (e.g. paid time off to meet employer's quarantine requirements).

*The itinerary is subject to change.

* All Medical Missions offer the opportunity to acquire continuing education credits.

* Credit card fees are not included.

* Flights from cities other than New York City may have an additional charge
