MEDICAL MISSIONS, CONGRESSES & EDUCATIONAL EVENTS

Healthcare is a Human right

In these trying times, the work of the New York Relief Network and its volunteers is more important than ever. Through its medical missions, NYRN seeks to affirm that access to quality healthcare is a human right. Today, NYRN is excited to announce its 2022 Medical Missions Calendar. These upcoming missions will give our volunteers the opportunity to provide much-needed medical care to underserved populations and to work alongside host organizations across the globe.
