NYSNA STATEWIDE BARGAINING RETREAT

Our Union's strategic planning process starts now! Join committees from across the state who also have expiring contracts in 2022. There will be bargaining training courses, regional breakouts, and LBU-specific strategic planning meetings.

Be a part of NYSNA's bold vision to win contracts for our patients, our families, and ourselves! All NYSNA Executive Committee/Bargaining Committee members are invited, particularly those with contracts expiring in 2022.

This will be an online retreat so that all LBUs can participate statewide.
